[BRIANNA RANDALL] 20-25 American born and raised, Brianna is strong-minded, intelligent beyond her years with an effortless charm and sparkling sense of humor (traits inherited from both her mother and father). She also has a scholastic mind-set, with a healthy dose of American strength, having been born and bred in Boston under the watchful eye of professor and historian Frank Randall. The ease of a natural beauty, Brianna has the ability to turn heads wherever she goes. She also has a practical, analytical brain so she should be played earthy and grounded and not girly. However, underneath her self-possession, Brianna is also still only 20 years old, with the inexperience and vulnerability that goes with that.

Will consider actresses 5ft 8" AND OVER ONLY! - Please put actress actual height in the submissions. In the OUTLANDER books she is described as 6ft. She is aged 20 when we meet her this season. This tall, striking, redhead (we will dye hair if necessary) is the daughter of Claire (Caitriona Balfe) and Jamie Fraser (Sam Heughan) so actress would need to have some physical resemblance to them. (SERIES REGULAR)
